Full universal resume

AI Data Labeling, Transcription, Review, QA, and English-to-Russian Translation

Alignerr.com | Remote | 11/2025–03/2026

- Worked across 6 projects involving transcription, labeling, review, QA, and English-to-Russian translation.
- Reviewed both labeler-produced and auto-generated transcripts, identifying recurring inaccuracies.
- Performed quality control on reviewers' work under evolving project guidelines.
- Contributed to specialized radio-communications transcription datasets for AI-model training.
- Participated in a large-client localization project translating English-to-Russian.

Flight Supervisor / Operations Supervisor (Duty Manager)

State ATM Corporation | Magadan, Russia | 2016–2022

- Worked for 6 years in a 24/7 safety-critical aviation environment with strict procedural discipline and time-sensitive decision-making.
- Managed pre-shift readiness control, staff briefings, work allocation, training coordination, incoming-document review, and vacation/work scheduling.
- Mentored junior specialists, checked personnel knowledge for operational admissions, and served on a professional-mastery competition jury.
- Coordinated routine, non-standard, and emergency situations including emergency landings and search-and-rescue-related operational support.
- Maintained operational reports, incident documentation, and standards-based follow-through.
- Co-authored an internal research project on workplace demotivation factors.

Air Traffic Control Officer

State ATM Corporation | Magadan, Russia | 2006–2016

- Managed complex real-time operational situations requiring precision, continuous assessment, and rapid decision-making.
- Applied strict communication, radio phraseology, and procedural standards in a high-pressure ATC environment.
- Built deep experience in operational control, disciplined coordination, and accuracy under pressure.

Individual Entrepreneur — Small Handmade Jewelry Store

Self-employed | Russia | Late 2015–2017

- Ran a small side business alongside main employment.
- Sourced makers and suppliers independently and coordinated purchasing and delivery arrangements.
- Managed 2 hired workers and handled tax reporting personally.

education and training

- Diploma in Enterprise Management, Russian Presidential Academy (RANEPA), 2019
- Mentor Training Course, Institute of Air Navigation, Moscow, 2019
- Bachelor's Degree in State & Municipal Administration, Russian State University for the Humanities, 2012
- Master's Degree in Aircraft Operations & Air Traffic Management, St. Petersburg State University of Civil Aviation, 2006
- Theoretical UX/UI design training (no formal supporting document)
